

## **Group 46 : (2017331032, 2017331086)**

Here is a description of our project. The main points are given below:

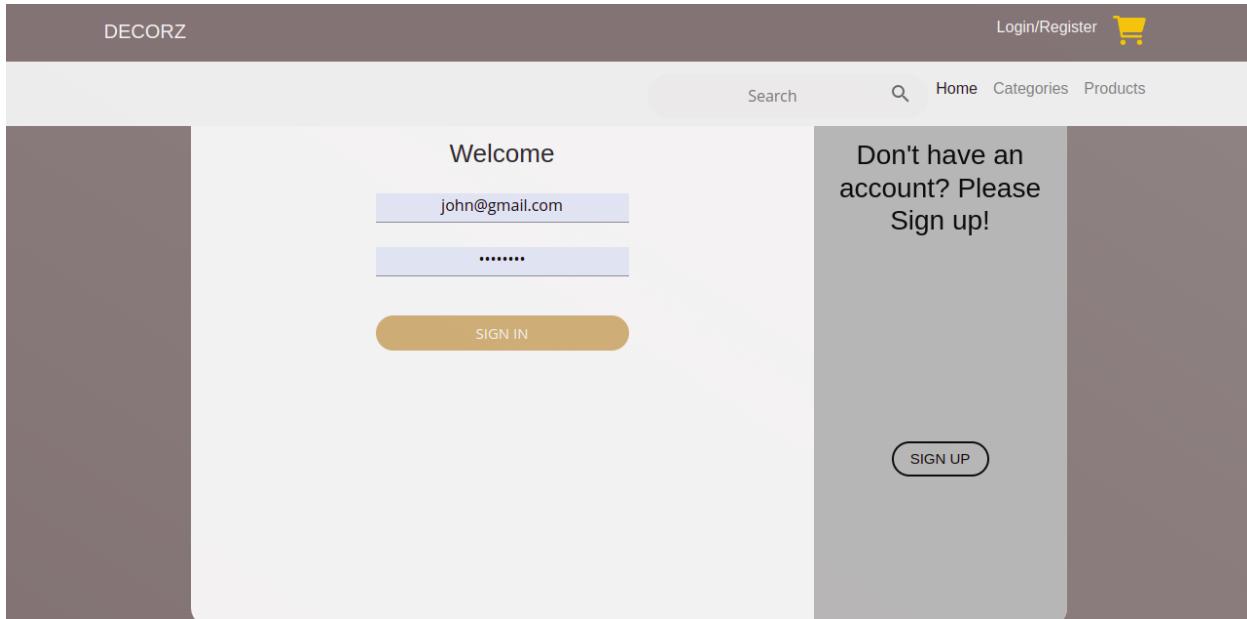

- 1. Home Page:** *This is the home page of our e-commerce website.*

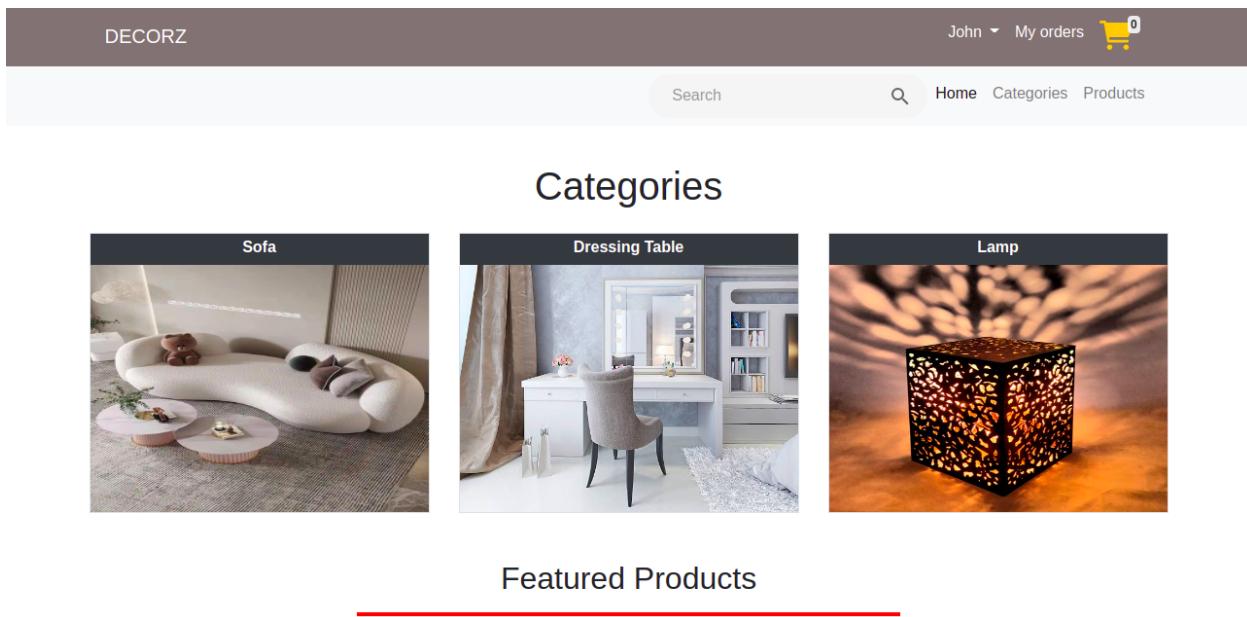

- 2. Sign up:** *A user can create an account by providing necessary information e.g., name, email address, bank account, address, and other necessary information.*

- 3. Log in:** A registered user can log into the system by providing an email and password. Admin and supplier can log in using their credentials. For simplicity, admin and supplier credentials are already registered. So, they just need to log in using their respective credentials which are provided by the system.

- 4. Categories:** E-commerce admin can predefined some categories such that each product is under some category.

- 5. Products:** Admin will have the authority to add a new product to the website.

Dressing Table

**SYVDE** 

\$500

**Product Details**

The large drawer is perfect for storing things like hairdryers, curling irons, sprays or other larger items that take up a lot of space. There's plenty of space for makeup and jewelry in the wide, felt-lined drawer. The drawers close silently and softly, thanks to the integrated soft-closing function. Smooth running drawers with pull-out stop. You don't need to worry about stains, as the durable glass table top is easy to wipe clean. May be completed with a wall or table mirror in a size and...

Add a review

Your rating:

**7. Rating and Reviews:** Customers can see the existing reviews and ratings which can help them to make a better decision before buying. Similarly, they can also add ratings and reviews which can help other customers.

The screenshot shows a dark grey header with the brand name "DECORZ". On the right side of the header, there are links for "John" (with a dropdown arrow), "My orders", and a shopping cart icon with a "0" notification. Below the header is a light grey navigation bar with a search bar, a magnifying glass icon, and links for "Home", "Categories", and "Products". The main content area has a white background. At the top left of the content area, there is a section titled "Add a review". It includes fields for "Your rating:" (with a 5-star scale) and "Your review:" (a large text input field). A red "Submit" button is located below these fields.

- 8. Add to Cart:** Customers will choose one or, more products, and can add/remove them to the cart for further proceedings upon availability.

The screenshot shows a dark grey header with the brand name "DECORZ". On the right side of the header, there are links for "John" (with a dropdown arrow), "My orders", and a shopping cart icon with a "1" notification. Below the header is a light grey navigation bar with a search bar, a magnifying glass icon, and links for "Home", "Categories", and "Products". The main content area has a white background. On the left, there is a "Shopping Cart" section with a heading "1 item". It shows a table with columns: Product, Price, Quantity, and Total. There is one item listed: "Dressing Table SYVDE" with a price of "500", a quantity of "1", and a total of "500.00". To the right of the cart is a "Summary" section with a table showing "SUBTOTAL" at "500.00", "SHIPPING" at "80.00", and "TOTAL PRICE" at "580.00". At the bottom right of the summary section is a black "CHECKOUT" button. At the bottom left of the cart section is a link "← Back to shop".

- 9. Checking Out:** Users can select the quantity of the products while checking out. The amount will be automatically calculated.

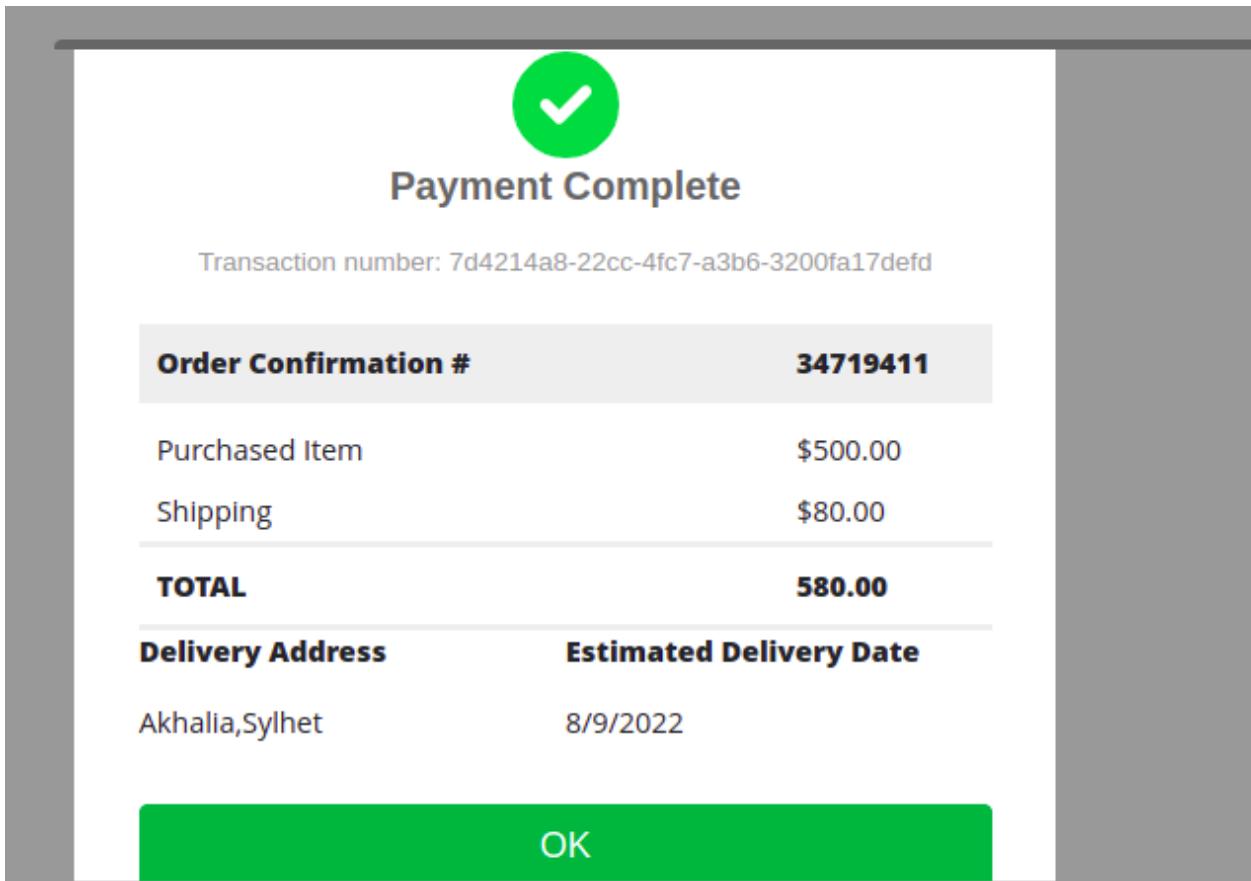

The screenshot shows a shopping cart interface for 'DECORZ'. At the top right, there's a user profile for 'John' with a 'My orders' link and a shopping cart icon containing one item. Below the header is a search bar and navigation links for 'Home', 'Categories', and 'Products'. The main content area is divided into three sections: 'Address Details' (Name: John Walker, Mobile Number: 01768092682, Address: Akhalia,Sylhet), 'Payment Details' (Account Number: 98765, Amount: 580.00), and a 'SUMMARY' table.

SUMMARY	
subtotal	500.00
shipping	80.00
<b>TOTAL</b>	<b>580.00</b>
<b>CONFIRM ORDER</b>	

**10. Paying Using Bank Account:** After checking out the products, a customer will be able to pay for the product by providing their bank account and secret PIN.

This screenshot is similar to the first one but includes a modal window in the center. The modal has a green header bar with a close button. It contains a logo, a placeholder text 'Please enter your secret pin', a text input field with the value '\*\*\*\*', and a 'Proceed' button. The background of the page is dimmed, and the rest of the interface (Address Details, Payment Details, SUMMARY table) is visible behind the modal.

**11. Payment Confirmation:** A transaction number will be returned when the payment is completed.

**12. User Orders:** All the user orders will be shown on 'My Orders' page.

A screenshot of a web-based "My Orders" page. The header features a dark brown navigation bar with the brand name "DECORZ" on the left, a user profile dropdown for "John", a "My orders" link, and a shopping cart icon showing "0". To the right of the header are links for "Search", "Home", "Categories", and "Products". The main content area has a white background and displays the heading "My Orders". Below it is a table with one row, showing details of a single order:

Order Number 34719411	Date 1/8/2022 18:49:0	Total 580	Status Not processed	<a href="#">View</a>
--------------------------	--------------------------	--------------	-------------------------	----------------------

**13. Order Details:** After Ordering, the user will be able to see the order details.

The screenshot shows an order summary for Order ID# 34719411 placed on 1/8/2022 at 18:49:00. The product listed is SYVDE Dressing Table, quantity 1, total \$500. The payment summary shows Subtotal \$500.00, Shipping \$80.00, and Total \$580.00. The customer details section includes Contact Info (John Walker, john@gmail.com, 01768092682) and Shipping address (Akhalia, Sylhet).

**14. User Profile:** On this page, a user can see his/her profile information which he/she gave during registration.

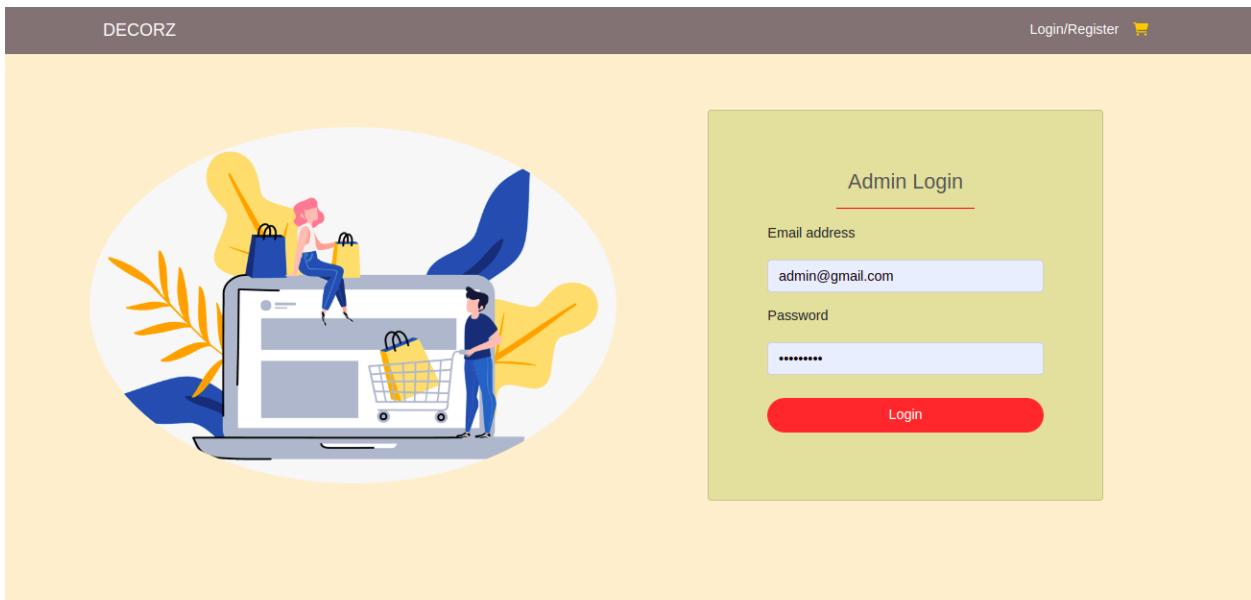

The screenshot shows a user profile page for DECORZ. The left sidebar has links for My Account and My Bank Account. The main content area displays User Information: First Name (John), Last Name (Walker), and Email (john@gmail.com).

User Information	
First Name	Last Name
John	Walker
Email	john@gmail.com

**15. User Bank Balance:** On this page, a user can see his/her account balance which he/she has set during registration.

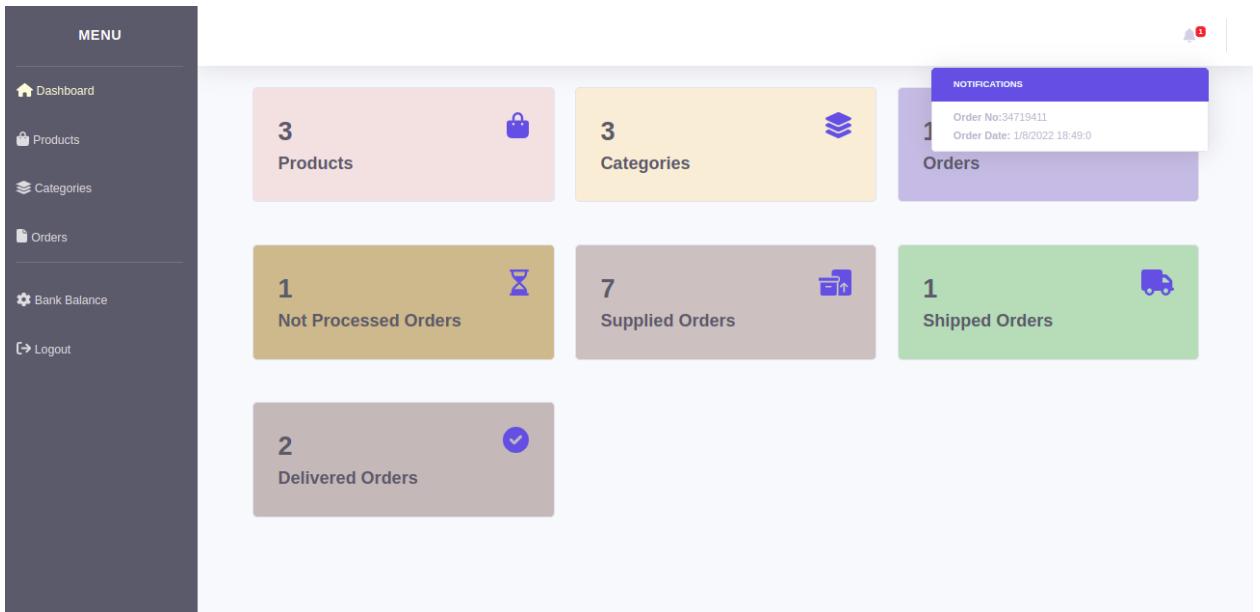

**16. Admin Login:** Admins can log in using their credentials. For simplicity, admin credentials are already registered. So, they just need to log in using their respective credentials which are provided by the system.

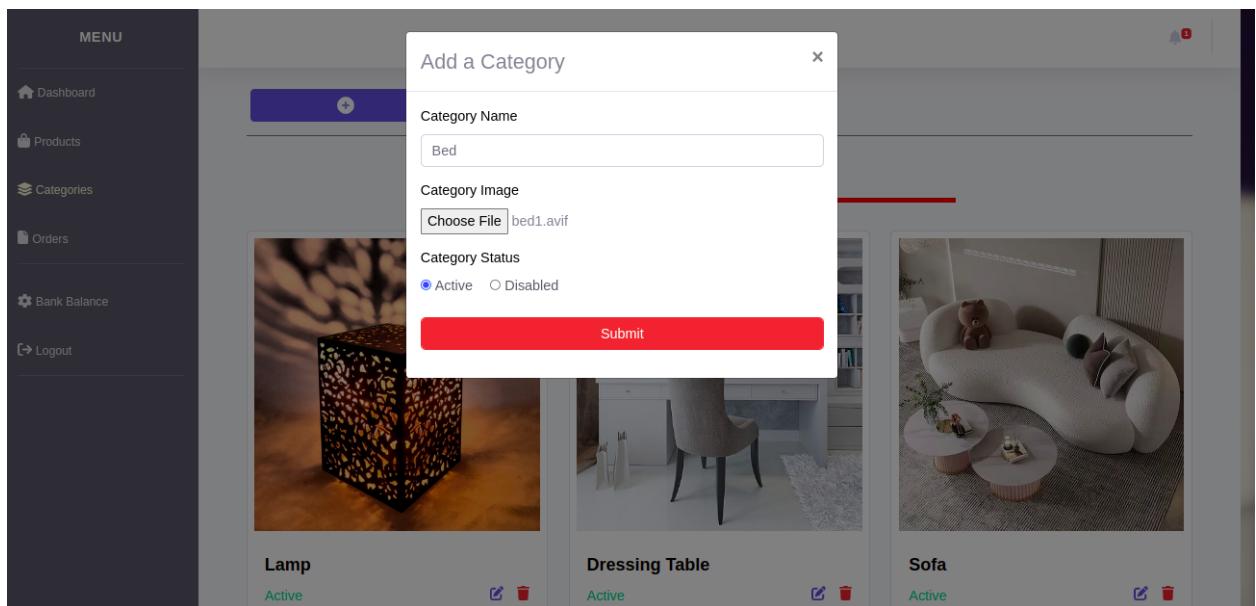

**17. Admin Dashboard:** On this page, the admin will be notified about not-processed orders. Also, Admin can see all the current status of orders in one place. For example, when they select a status such as "Supplied", all the

*products that are supplied will be shown.*

**18. Adding Category:** Admins can add categories by giving the category name and image and status that each product is under some category.

**19. Manage Categories:** On this page, the admin will be able to see all categories and also can delete and edit category information.

The screenshot shows a sidebar menu titled "MENU" with options: Dashboard, Products, Categories, Orders, Bank Balance, and Logout. The main content area is titled "All Categories" and displays three items: "Lamp" (Active), "Sofa" (Active), and "Bed" (Active). Each item has a small image, the name, a status indicator, and edit/delete icons.

**20. Adding Product:** Admin will have the authority to add a new product to the website.

The screenshot shows a sidebar menu titled "MENU" with options: Dashboard, Products, Categories, Orders, Change password, and Logout. A modal window titled "Add a Product" is open, showing a "Product Name" field containing "SECTIONAL SOFAS". Below it is a "Product Details" section with a text area describing sectional sofas. There are four "Product Image" fields, each with a "Choose File" button and a file name: sofa\_2.jpg, sofa.jpg, sofa2.jpg, and sofa2.jpg respectively.

**21. Viewing Products:** Admin will be to view all the products on this page.

MENU
